RE: Permission to reprint material copyrighted by Basler Electric

Number of pages including cover sheet: 2

I am writing to request permission to reprint the following material from the following Basler Publication.

Publication Title: See attachment.

Date: See attachment.

Revision Level: See attachment.

Material to be used appears on pages: All.

Other identifying information or remarks: n/a

The material from the Basler Publication is to appear as originally published and with no translation of language. For clarity, the desired material may be photocopied and submitted along with this sheet for approval. The desired material is to be used in the following work.

Author/Company: Tony Kuphaldt/Bellingham Technical College

Publication title/number: INSTRUMENTATION REFERENCE

Purpose of Publication: Material to be distributed to students on a CD for use in teaching protective relay theory.

Publication date: (CONTINUOUS)

Number of copies to be produced: 1 COPY PER STUDENT

We request nonexclusive world rights, as part of the above work only.

I request that Basler Electric grant permission to use the material requested in this correspondence. Material used from the Basler Electric Publication will be acknowledged by naming Basler Electric as the author and including the publication name, number, and copyright date.

Sincerely yours,

The above request is hereby approved on the conditions specified, and on the understanding that full credit will be given to Basler Electric.

Date: 4/10/12

Approved by:

(Basler Officer)
